LEVO: THE ADJUSTABLE LEG TURNS BLACK

Now available in the total black version, LEVO is an invisible and adjustable leg. Thanks to its new colour, it will enhance your furniture with a sophisticated touch and a refined and exclusive design, ensuring greater invisibility and elegance to the furniture with dark finishes.

It is assembled with an automatic and technologically advanced machine. This ensures a high-quality control during production process. LEVO is the emblem of the attention to detail and care in production that has always distinguished our company.

LEVO: IL PIEDINO REGOLABILE DIVENTA BLACK

Da oggi disponibile nella versione total black, LEVO è il piedino regolabile a scomparsa. Grazie alla nuova colorazione, darà al tuo mobile un tocco di classe e un design ricercato ed esclusivo, garantendo una maggiore invisibilità ed eleganza ai mobili con finiture scure.

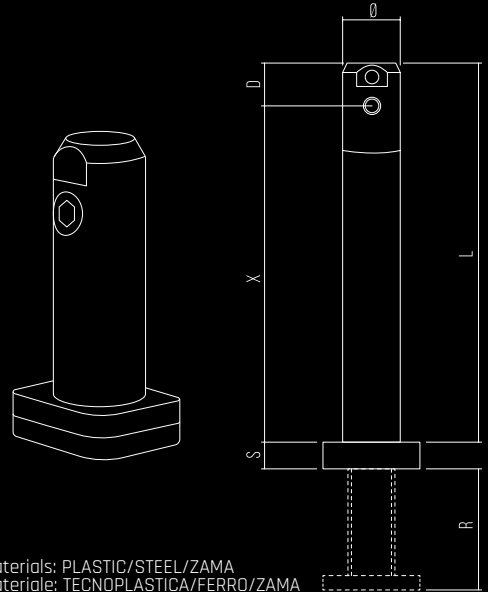

Assemblato in automatico con una macchina tecnologicamente avanzata che ne garantisce il controllo qualità, LEVO è l'emblema dell'attenzione al dettaglio e della cura nella produzione che da sempre contraddistinguono la nostra azienda.
